**Attendance**

Exe Class had 99.3% attendance for the week of 20th February—24th February 2017. **Well done!**

Remember our whole school attendance target for the year we are working to is 96.2%.

**Missing school is missing out!**

It is essential for children to attend as much school as possible if they are to get the most from their education and achieve their full potential.

**Funding Cuts**

Thank you all those parents who have supported us regarding proposed funding cuts for the school. A couple of parents have asked us whether we have used our school budget to fund alterations to the main school and to build our new EYFS building. The money for this project was provided by Devon Local Authority as part of their school places programme to meet the need for new places triggered by new housing developments.
